Section II.

Conditions, in which no preliminary notification of the European Commission is required (Title, amend. – SG, 20/09, in force from 17.03.2009)

Art. 45a. (1) (Amend. - SG, 88/15, in force from 13.11.2015) Individual aid, granted under an aid scheme for training, which fulfills all the conditions of Chapter I and Chapter III, Section V of Regulation (EU) N 651/2014 shall be compatible with the internal market in the meaning of Art. 107, Para. 3 of the Treaty on the Functioning of the EU and shall be exempt from the obligation for notification under Art. 108, Para. 3 of the Treaty on the Functioning of the EU.

(2) (Amend. – SG, 88/15, in force from 13.11.2015). Every measure for individual aid, granted under Regulation (EU) N 651/2014 should contain explicit reference to the concrete provisions of Chapter III of Regulation (EU) N 651/2014 and of the national legislation, on which the individual aid is based and

shall be expressed in the relevant act for granting the aid under Art. 49 and in the contract of the receiver of the aid under Art. 50, Para. 2.

(3) (Amend. - SG, 88/15, in force from 13.11.2015) Granting aid shall not be re-negotiated, or the amount of the granted aid shall not be increased, after that this has been provided by the relevant act for granting the aid and/or in the contract with the receiver of the aid.

Art. 46. (1) (Amend. - SG, 88/15, in force from 13.11.2015) The funds for financial support shall be granted for covering the following admissible costs on the training project:

1. costs for training staff for the classes, during which the training staff participates in the training;
2. (amend. and suppl. – SG, 41/18, in force from 18.05.2018) operative costs of the training persons and the trained persons, which are directly related to the training project, like travelling expenses, accommodation expenses, materials and consumables, directly related to the project, tax amortization of instruments and equipment, as far as they are used exclusively for the training project;
3. costs for consultation services, related to the training project;
4. costs for trained staff (the proportional part of the costs for remunerations, paid to the trained person, for the hours, which he has spent for the training, where there are any) and total indirect costs (the relevant part of administrative costs, rents and overheads, made by the receiver of the aid, directly related to the training project) for the hours, in which the trained persons participate in the training.

(2) (Suppl. – SG, 20/09, in force from 17.03.2009) The costs under Para. 1 are before taxes and charges.

(3) (Amend. – SG, 20/09, in force from 17.03.2009, amend. – SG, 62/10, amend. – SG, 88/15, in force from 13.11.2015) The amount of the funds for financial aid under this Section shall not exceed 25% of the admissible costs for training in relation to Art. 31, Para. 4 of Regulation (EU) N 65/2014.

(4) (Amend. – SG, 20/09, in force from 17.03.2009, amend. – SG, 62/10) The intensity of the aid under Para. 3 may be exceeded:

1. by 10% points, if the aid for training is for disabled workers, or for disadvantaged workers;
2. by 10 % points, if the aid is provided to medium enterprises and by 20%, if the aid is provided to small enterprises.

(5) (New – SG, 20/09, in force from 17.03.2009, amend. – SG, 88/15, in force from 13.11.2015) For calculation of the intensity of aid, paid in several contributions, the aid and the admissible costs shall be discounted to their value at the moment of provision of the aid while using the discount interest rate, applicable to the moment of provision of the aid.

(6) (New – SG, 88/15, in force from 13.11.2015) Aid shall not be granted in the cases, in which the training is conducted in the enterprise in view to observing the mandatory national training standards.

Art. 47. (Amend. – SG, 88/15, in force from 13.11.2015) The total amount of the funds for financial aid, received under this Section and under financing with other public resource or EU resource, in relation to a concrete training project, shall not exceed the amount of the BGN equivalence to EUR 2 million, and the intensity of the aid, received from all the sources shall not exceed 50% of the admissible costs on the concrete project, or exceeded to 70% under the conditions of Art. 46, Para. 4, p. 1 and 2, if applicable.

Section III.

Financial aid, which is subject to preliminary notification of the European Commission

Art. 48. (1) (Amend. – SG, 20/09, in force from 17.03.2009, amend. – SG, 93/09, in force from 24.11.2009, suppl. – SG, 62/10, amend. – SG, 36/14, in force from 25.04.20014, amend. – SG, 40/15, amend. and suppl. – SG, 88/15, in force from 13.11.2015, amend. – SG, 41/18, in force from 18.05.2018). In case that the funds for financial aid of a training project under this Chapter and under financing with other state resource or EU resource for the same admissible costs, including in the form of de minimis aid shall be

in the amount above the BGN equivalence of EUR 2 million, or the training project fails to meet the conditions of Section II, the Minister of Economy shall prepare a notification about the intention to provide financial aid under Art. 22 of the State Aid Act. The maximum value under sentence one shall not be circumvented by artificial division of project of similar nature, objectives or beneficiaries.

(2) The funds for financial aid shall be provided only after positive decision on behalf of the European Commission.

(3) (New – SG, 88/15, in force from 13.11.2015) Where financing from the EU, managed centrally by the institutions, agencies, joint ventures or other EU bodies, which is not directly or indirectly under the control of the Member State, has been combined with state aid, only this state aid shall be taken in consideration in view to establishing whether the thresholds have been observed for notification and the maximum intensities of the aid or the maximum amount of the aid, under the conditions, that the total amount of public financing, provided in relation to the same admissible costs does not exceed the most favorable percent of financing, established in the applicable rules of the EU legislation.

Section IV.

Chapter seven.

CONDITIONS FOR PROMOTION OF THE INVESTMENTS IN REGIONAL AID (TITLE, AMEND. – SG, 20/09, IN FORCE FROM 17.03.2009)

Section I.

Conditions, in which no preliminary notification of the European Commission is required (Title, amend. – SG, 20/09, in force from 17.03.2009)

Art. 52a. (New – SG, 20/09, in force from 17.03.2009) (1) (Amend. – SG, 24/13, in force from 12.03.2013, amend. – SG, 88/15, in force from 13.11.2015) The scheme for regional investment aid, which fulfills all the conditions of Chapter I and Chapter III, Art. 13 and 14 of Regulation (EU) N 651/2014 shall be compatible with the internal market in the meaning of Art. 107, Para. 3 of the Treaty on the Functioning of the EU and shall be exempt from the obligation for notification under Art. 108, Para. 3 of the Treaty on the Functioning of the EU.

(2) (Amend. – SG, 24/13, in force from 12.03.2013, amend. – SG, 88/15, in force from 13.11.2015)

The annual budget of the scheme for regional investment aid shall not exceed EUR 150 million per year. If the average annual budget of the scheme exceeds this sum, the Ministry of Economy shall prepare a plan for assessment of the scheme, which shall be sent to the European Commission in the term of 20 days from the enforcement of the amendment of the budget. In these cases, the scheme for regional investment aid shall be applied for the term of 6 months from the enforcement of the amendment of the budget for the scheme. After estimating the assessment plan, the European Commission may decide Regulation (EU) N 651/2014 to apply for a longer period of time in relation to the scheme or change of the scheme, which cannot influence its compatibility with Regulation (EU) N 651/2014, or which cannot substantially influence the approved assessment plan.

(3) (Amend. – SG, 88/15, in force from 13.11.2015) Every provision of individual aid under the scheme for regional investment aid should contain explicit reference to concrete provision of Chapter III of Regulation (EU) N 651/2014 and to the national legislation, on which the individual aid is based and is reflected in the relevant act for provision of the aid and in the contract with the receiver of the aid.

(4) (New – SG, 88/15, in force from 13.11.2015) Provision of aid shall not re-negotiated, or the amount of the provided aid cannot be increased, after this has been provided by the relevant act for provision of the aid and/or in the contract with the receiver of the aid.

Art. 53. (Amend. – SG, 20/09, in force from 17.03.2009) (1) (Amend. – SG, 88/15, in force from 13.11.2015) The intensity of the regional investment aid, expressed in a current gross grant-equivalent shall not exceed the intensity of the regional aid, which is in force at the moment of granting the aid for the relevant region under Art. 14, Para. 12, of Regulation (EU) N 651/2014, under the approved regional map for the period of 2014 – 2020 in the amount of 25% in the South-west region of planning and 50% in the remaining regions of planning, where:

1. (amend. – SG, 24/13, in force from 12.03.2013, amend. – SG, 88/15, in force from 13.11.2015) under the Map of the regional aid for Bulgaria, applicable from 1 July 2014 to 31 December 2020 (OJ C 209, 23.07.2013, p. 1) the basic intensity of 50%, or 25% for The South-west region of planning, calculated as current gross grant equivalent, may be exceeded by to 20% points for the investment aid, granted to small enterprises, with the exception of the aid, granted in favor of large investment projects, and the aid for activities in processing agricultural products, where this increase shall not violate the requirement of Art. 12, Para. 2, p. 6 of the IPA;

2. (suppl. – SG, 88/15, in force from 13.11.2015) for calculation of the aid intensity, all used data shall be taken before deduction of taxes or other charges; where the aid is granted in the form, other than grant, the amount of the aid shall be grant equivalent to the aid. The admissible costs shall be supported by document evidences, which shall be clear, concrete and updated.

(2) (Suppl. – SG, 62/10, amend. – SG, 24/13, in force from 12.03.2013, amend. – SG, 88/15, in force from 13.11.2015) The total amount of the gross grant equivalent of the regional aid from all sources, received for one and the same admissible costs and for one and the same project, shall not exceed the defined individual threshold under Chapter I, Art. 4, Para. 1, letter "a" of Regulation (EU) N 651/2014, namely, the corrected amount of the aid, calculated under the mechanism, defined by Art. 2, p. 20 of Regulation (EU) N 651/2014 for an investment with admissible costs EUR 100 million.

(3) (New – SG, 88/15, in force from 13.11.2015) Where a single investment project is a large investment project, the total amount of the aid for the single investment project shall not exceed the corrected amount of the aid for large investment projects.

(4) (New – SG, 88/15, in force from 13.11.2015) The maximum value under Para. 2 shall not be bypassed through artificial division of project of similar characteristics, objectives or beneficiaries.

(5) (New – SG, 88/15, in force from 13.11.2015) Where investment are supported in activities, related to processing agricultural products, the total amount of the gross grant equivalent of the regional aid from all the sources, received for one and the same costs and for one and the same project, shall not exceed EUR 12 million, and the admissible costs shall not exceed EUR 25 million.

Art. 54. (1) (Amend. – SG, 88/15, in force from 13.11.2015) The admissible material assets shall be restricted to assets, contained of land, buildings, facilities, machines and equipment, and the non-material – to assets, which have no physical or financial expression, as patents, licenses, know-how or other intellectual ownership.

(2) (Amend. – SG, 88/15, in force form 13.11.2015) Admissible shall be costs for acquiring non-material assets, which:

1. are used only in the undertaking (economic object) – receiver of the aid;
2. are depreciable;
3. are bought under market conditions from third countries, not related to the buyer;
4. are included in the assets of the undertaking, receiving the aid and remain related to the project, for which the aid is granted, for the term of at least 5 years or in SME – for the term of at least 3 years;
5. are new.

(3) In the SMEs, all the costs for investment in non-material assets shall be taken in consideration.

(4) (Amend. – SG, 62/10, amend. – SG, 88/15, in force from 13.11.2015) IN the large undertakings the costs under Para. 2 shall be admissible to 50% of the total amount of the admissible costs on the project.

(5) (New – SG, 62/10, amend. – SG, 88/15, in force from 13.11.2015) Admissible shall be the costs for acquiring material assets, which:

1. are used exclusively in the undertaking – receiver of the aid;
2. (amend. – SG, 88/15, in force from 13.11.2015) are bought in market conditions form third countries, not related to the buyer;
3. (amend. – SG, 88/15, in force from 13.112015) are included in the assets of the undertaking, receiving the aid and remain related to the project, for which the aid is granted, for the term at least of 5 years or in SMEs – for the term at least of 3 years;
4. are new.

(6) (New – SG, 62/10, amend. – SG, 88/15, in force from 13.11.2015, suppl. – SG, 41/18, in force from 18.05.2018) For aid, granted to large enterprises for basic change of the industrial process, the admissible costs must exceed the tax amortization of the assets, related to the activity, which is to be modernized, during the previous 3 financial years. For aid, granted for diversification of existing undertaking, the admissible costs must exceed at least by 200% of the balance value of the assets, which are used for the second time, as they have been accounted during the financial year before beginning of the work on the project.

Art. 55. (1) (Amend. – SG, 88/15, in force from 13.11.2015) The defined under Art. 53, Para. 1 ceilings shall refer to the intensity of aid, calculated as a percent of the admissible costs for material and non-material assets under Art. 54 for the investment, or a percent of the forecast costs for labor remunerations of the employed persons for the period of 2 years for the work positions, directly created by the investment project.

(2) Both methods of calculation under Para. 1 may be combined, under the condition, that the aid does not exceed the most favorable sum, received during the separate application of every method.

(3) (Amend. – SG, 88/15, in force from 13.11.2015) For calculation of the intensity of aid, payable at several contributions, the aid and the admissible costs should be accounted to their value at the moment of granting the aid in using the accounted interest percent, applicable at the moment of the granting of the aid.

Art. 56. (1) The costs on acquiring assets in leasing conditions, with the exception of land and buildings, shall be taken only under the condition, that the leasing is in the form of financial leasing and includes obligation for buying the assets in expiry of the leasing term.
